The Tigers might well beservious of what Our Lady of
Sorrows did... and right on the
Tigers own grounds.
Sorrows accomplished what
the Tigers have had trouble
doing before the home

# Farmington Ends Campaign With Win In Oakland Meet

that's the 1970 Farmington High School track team. The Falcons climaxed a sea-son they'll never forget and their best since Coach Jerry Young took over four years ago by winning the All-Oakland County meet.

FARMINGTON CAME UP with 29 points to dethrone Ha-zel Park, which scored 26, and win back the crown the Fal-cons captured in 1968. Pontiac Northern placed third with 24 points while Rochester Adams had 21.

Brother Rice, the champs of Detroit's Catholic League, posted 15 points while North Farmington had 11.

Neither Southfield nor South-field Lathrup managed a single point in the meet which at-tracted trackmen from all of the Oakland County high schools

"This was a great season for us." Coach Young of Farmington admitted.
His team had gone through a perfect campaign in dual and triangular meets. Then came victory in the Inter-Lakes Conference meet and the state regionals . . . and the Oakland County meet. Conference regionals . . . and the County meet.

MARK BENDER, Farming-ton's brilliant sprinter, showed the way in the Oakland County

meet.

He won the 100 and 220-yard dashes in times of 10.2 and 22.5 seconds.

Mike McGlothin won the mile in Farmington's colors in the time of 4:26.8. In the 440, the Falcons' Mark Timmons placed third.

Farmington's other points came from a third place in the mile relay in which Randy Cleveland, Dennis MacDonald. Doug Carvell and Kim Hilde-brandt carried the baton. Waterford Mott won with Bloomfield Hills Andover sec-

Sports Brief

We know a sample suburban area where the list of people who built their own houses from the ground up includes a cancert plantit, a police detective, an oritine lipit, a butter, a modificiality, and a retired colonelli Furthermore, the houses are in line shape, and commont be best prices. In fact, the bufler liked his new type of work so much, than the withdrate to building as a professional the read point in this in that nowed these people had built more may find yourself intensicated with the smell of lumber, the clink of noils, the budner of a hommer. Go to it! Think of the money you'll know, the thing you can make, and your stene of accomplishment. One of merit and accomplishment.
