

## TRAVEL MONEY

The most convenient funds to use whenever you travel are travelers' checks.

We issue these in \$10, \$20, \$50, and \$100 denominations, bound in a little book containing just the right assortment.

Furthermore, travelers' checks are safer than money because they are valueless until countersigned.

Then they are accepted by banks, stores, hotels, railways, and steamship lines at face value.

## FARMINGTON HARDWARE CO.

D. L. DICKERSON

E. O. HATTON

Born to Mr. and Mrs. Ernest Ham, Tuesday, July 8th, a nine pound boy.

**STORK LEAVES MONSTER BOY**  
It's a boy! His weight is mysterious, but he is six feet, two inches high. His father lives in Cleveland, Ohio and is employed by The National Refining Company. The boy has been christened "En-ar-co."

He is the most remarkable boy you ever saw. Smiles continually. Wonderful eyes! Eminent physicians are at a loss to understand why he never sleeps.

He not only knows the A B C's but can put the alphabet together into such witty sayings as—

"Dad makes up his mind to stay at home and Ma makes up her face to go out."

"The future of the shimmy is shaky."

"Don't lose your temper if you would hold your edge."

"Many a car is driven from the back seat."

"Prohibition agents find too much 'whisk' in whisky."

We can't tell here all the clever things this remarkable boy said. It would not be fair, anyway. We will tell you this much. This boy is employed at The Auto Shop and is here to help them sell En-ar-co Motor Oil, the Scientific Refined Oil.

The use of En-ar-co Motor Oil will keep your engine remarkably free from engine trouble, repair costs and other similar annoyances. It will make your motor run sweetly and prolong the motor's life.
