

TRAVEL MONEY

The most convenient funds to use whenever you travel are travelers' checks.

We issue these in \$10, \$20, \$50, and \$100 denominations, bound in a little book containing just the right assortment.

Furthermore, travelers' checks are safer than money because they are valueless until countersigned.

Then they are accepted by banks, stores, hotels, railways, and steamship lines at face value.

for *Athletes and Brain-Sprinters*

WHEN a fellow's keyed to top pitch and every ounce of energy and vitality are concentrated on the game, nothing helps like clenching the teeth in a piece of good chewing tobacco.

BEECH-NUT Chewing Tobacco is the steady and steady friend of every record breaker and pace maker.

In the back pockets of golfers, business men, workers and judges.

Whole, waxy, selected leaves of prize crops—the sun-sweetened, top growth of choice districts, cut into convenient little bites, stemmed, cleaned, packed, and sealed without the touch of human hands.

Still the best chew on earth—still the best selling brand in the world—still the most generous friend of 10c.

Over 250,000 packages sold in a single year.
