Correct Attest:
EMIL ROOS,
E. F. HOLCOMB
CHAS. H. ELY, Directors.

Federal Tax on Telephone Toll Messages Removed

UNDER the provisions of the Federal Revenue Act of 1924, all telephone messages became free from tax at midnight, July 2, 1924. The taxes imposed under the previous law were as follows:

On a telephone toll message for which the charge was more than fourteen cents and not more than fifty cents	5 cents
On a message for which the charge was more than fifty cents	10 cents

These taxes were highest, in proportion to the charge for service, for toll messages over moderate distances, the tax in some cases amounting to one-third of the toll charge.

We have anticipated the increased use of toll facilities that will follow the removal of these taxes and are prepared to care for it.

Reshingle Once—For Your Lifetime

You can do that if you will use
"CREO-DIPT" STAINED SHINGLES

Quality of shingles. Each shingle is sawed from selected cedar logs—not from forest waste; all parallel widths—no wedge shapes; thoroughly seasoned—not baked to death in dry kilns. Better shingles are not to be found in any market.

Quality of stain. Each shingle is thoroughly stained by a special factory process. Pure pigments are ground twice in pure linseed oil and carried deep in the fibre of the wood with creosote oil. The result is preservation of wood as well as soft-toned colors that do not fade or wash out in streaks.

They cost less than staining on the job.

Ask for quotation on "Creo-Dipt" Stained Shingles for side walls as well as roof. Come in and choose your colors from our attractive stock, or phone and we will call with samples.
