Columbus Entertainers at Chautauqua Here

Through many seasons of appearances in musical entertainment work, the well-known Columbus Entertainers, who will be heard at the Redpath Chautauqua here, have become one of the most talented companies appearing on the platform.

The company consists of Miss Beatrice Baughman, pianist and impersonator, and Miss Miriam Hoover, violinist and pianist.

Their programs include both classical and popular instrumental numbers. The introduction of character sketches by Miss Baughman adds interesting variety. Stories in Italian and negro dialects are also given, as well as selections from well-known modern writers.

The Columbus Entertainers will be recognized immediately as a company of premier artist entertainers.

WHEN a lawyer's mind is wandering towards the cigar case, it's hard to keep it on his client's.

The suave, easy, self-possessed cross-examiner usually holds himself and witness in hand with a helpful little chew of BEECH-NUT—the favorite tobacco of thinker and worker.

Supreme Court justices, outdoor workers, expert craftsmen, athletes and business executives are never without it.

The biggest package of the best tobacco that ever flattered 10c.—a clean, pure chew for keen, sure brains.

Not a stem or impurity in a million packages and over 250 million packages sold in a single year.

Increased overheads haven't raised the price or reduced the quality—Makes 10c. swell with pre-war pride.
