Turtles Not Dumb

When startled, some turtles give a loud snarl-like hiss. The males of the large Galapagos turtles, according to Darwin, belly or roar at mating season. The land or mud turtle utters a piping note, particularly in the spring.

When All Signs Fail

The guy that got up the adage that women cannot concentrate never had a wife decide on a certain car.—Village News Journal.

Interesting to Scientists

When the swamp areas of northern Minnesota are drained, remains of many elephants may be brought to light. Prof. Clinton R. Stoffer of the University of Minnesota, has reported to science, that recent finds indicate that huge mastodons and mammoths were once abundant in that region and survived the great ice age formerly thought to be the period in which they became extinct.

Dont Waste Cigars

Chew **BEECH-NUT** Chewing Tobacco between smokes.

Keep it in your desk drawer and club locker. Put a package in your pocket when you go to the show or movies, or start for a ride.

Admitted and welcomed where pipes and cigarettes can't enter.

A healthy, pleasant and economical habit.

Preserves the teeth; aids digestion.

Quiets nerves and sharpens wits—watch big executives when they go into action.

Steadies the ball-player's bat and the golfer's club—watch the winners.

Stimulates good work and clear thinking. Keeps "that tired feeling" off the construction job and factory floor.

Lawyers, prohibited from using other forms of tobacco, can't stand the grueling grind of a long trial without a chew of BEECH-NUT.

First aid to efficiency everywhere—costs so little.

Dollars are only worth 60c today, but 10c is still worth the same quantity and quality of BEECH-NUT that made it the biggest selling brand in the world.

250 million packages sold in a single year.
