lf You Need a Medicine You Should Have the Best--Dr. Kilmer's Swamp-Roof

Have you ever stopped to reason why it is that so many products that are extensively and are soon forgotten? The other was a sound are soon forgotten? The area is plain—the article due not fulfill the promites of the manufacturer. This is applies more particularly to a medicine. A medicinal preparation that has real a curative value almost sells itself, as like in endless chain system the remedy is recommended by those who have been benefited to those who are in need of it. A promisent dringist say. Take for example, Dr. Kilmer's for many years and never hesitate to recommend, for in almost every case it shows excellent regults, as many of my customers testify. No other kidney remedy has so large a

sale."

According to syorn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact, so many people claim, that if tyfills almost every wish in overcoming kidney, liver and bladder ailments, corrects urinary troubles and neutralizes the uric set which causes, theumatism.

which causes rheumatism. You may receive a sample bottle of Swap Rose by parcel post. Address Dr. Climer & Co., Binghamion, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.—Advertisement.

Through the Needle's Eye.

It is a fact that there is in the wal of Jerusalem a 'small gareway but for the use of pedestrians and known by a name which is translated as 'The Needle's Eye'. Through this gate is quite possible for a small undernourished cancel, divested of all its equipment, harness, etc., by kneeling, to work its way, though not without difficulty. The gate is still in existence.

Turtle Factory
A new industry—a turtle factory—
Is being established on the Lacerped
Islands, off the northwest, coast of
West Australia. Green and HawksBill furtles caught on the island will
be treated on the spot at a special factory and the edible flesh will be
shipped to London.

STATE NEWS IN BRIEF

Manistee-Merchants of Manistee and farmers of Manistee County held their annual Farmers Merchants' pic-nic at Orchard Beach, State Park.

grave canger of the ravages of the blight, lacorolling to A. J. Lonslorf, county agriculturist.

Leo Powers, Detroit, returning from Sasginaw in an automobile turned turned in a deep ditch near Munger. Both women were seriously injured. Mrs. Powers was thrown through the windshield and Mrs. Foster was pluned under the car, Edmore-Mrs. G. H. O'Brien, wife of the Edmore Times, was injured in an sirplane crash at the annual street-fair and homecoming here. Mrs. O'Brien, who was a passenger in the plane, and Pilot Kitchen were forced by engine trouble to land. The plane struck a tree on its fourney earthward. Flint—Flint tappayers authorized a bond issue of \$1.219,000 and the transfer of \$86.219.91 from previous bond issues to finance a program to construct sweers, parements and water mains. With a three-diffiths vote necessary to carry the Issues, the vote stood better. Than three and one-half to one to carry the proposition.

Pontiac—The layleg of the last conjected on the 10mle stretch of Directered.

Pontiac-The laying of the last con-crete on the 10-mile stretch of Dixie

rentact—lie ning of the secondary renter on the 10-mile stretch of Disignary between Drayton Plains and Potter's Corrers, has been completed and the road will be open to traffic early in September, according to an nouncement by the Oakland county road commission. The stretch will complete the paring between Datroit and Finit on this road,

Ann Arbor—Having studied for eight weeks at the U. of M, the educations are leaving to enjoy a brief vacation ere school opens in the fall. With the going of the teacher-students got hey ounger students in the hope of jamming a whole summer of play into the short month remaining before the opening of the fall term. September 15 fall registration begins.

fore the opening of the fall term. Soptember 15 fall registration begind.

Detroit—The paning mill of, the Dwight Lumber Co., at the Michigan Central Railrada and River Rouge, was burned to the ground. The damage was estimated by John C. Lodge, acting mayor of Detroit, and vice-president of the lumber congrain, at about \$550,000. The flames started, it is kelleved, from the fire in the drying kilns. About two years ago a similar fire did a like amount of damage on the same site.

Kalamazoo —The 'second annual county fair is being held here. Entries in the live stock are 300 per cent more than the 1923 fair. A two-day society hores show with \$3500 plate and ribbon money prizes, has been arranged; a dog show with 200 entries; a farm implement show that covers four acres of ground and plenty of free acts and fireworks day and night feature the fair. The state departments that are exhibiting are M. A. C., health, state Industries (prison) conservation, state tax commission and secretary of state.
