

The Window to Success

Through the Receiving Teller's Window of this Bank, you can look upon your future. If you make up your mind right now to place a specified portion of your earnings each pay day to your credit in a Savings Account, then you can feel assured that you are on the highway to success. You will have a nest egg upon which you can depend when old age creeps on and your earnings cease. 4% Interest is added regularly to your account.
