

The Window to Success

Through the Receiving Teller's Window of this Bank, you can look upon your future. If you make up your mind right now to place a specified portion of your earnings each pay day to your credit in a Savings Account, then you can feel assured that you are on the highway to success. You will have a nest egg upon which you can depend when old age creeps on and your earnings cease. 4% Interest is added regularly to your account.

FINE DRESSMAKING

Plain and fancy sewing. Mrs. J. L. Bowers, 67 Randolph St. Northville, Mich. 30-1-p

The big, all-you-want, annual chicken dinner will be given Friday evening, June 5, between the hours of 5:30 and 8:00 at the Clarenceville Community Church.

To Remove Candle Grease

All that is required to remove candle grease is a blotter or a piece of brown paper and a hot iron. The blotter or brown paper is placed on the grease spot and the hot iron is placed on the blotter or brown paper. After a few minutes the iron and blotter or paper are removed and no trace of the grease spot remains.

Fifteen Million Years Old

The geographical survey of China recently exhibited what is claimed to be the oldest scrub in the world. It is stated to be at least fifteen million years old, and was found spread on a stone slab under a layer of clay, with a natural, but somewhat flattened appearance.

Red Ants Capture Ship

A vessel so infested with red ants that cyanide was needed to rout them arrived at an English port from the Far East recently.

Mother Knows

Another good mechanical device for making scientific exercises is a washboard.—Duluth Herald.
