

GREGORY OIL BURNER

Handled in Oakland County by Glennie—Fleming Co.

Located at Pontiac, 21 Willow avenue, Phone 2165, enjoys a large patronage over the village and surrounding territory and specializes in plumbing, heating, water system and everything connected with modern plumbing. In the plumbing of the modern American city of the twentieth century the services of the modern sanitary engineers are of the utmost value, for by the modern standards of living the length of the average human life has been greatly increased. This is partly due to the work of the sanitary engineer. This condition compels the modern sanitary engineer to be a man of advanced ideas, with a thorough knowledge of the laws of sanitation.

As regards the above we cannot in this review of our onward progress fail to compliment them, as they are regarded as most practical and competent in this line and are assisted by the most competent corps of helpers they can secure. They have been called to execute hot water, steam, vapor and other heating systems in some of the best dwelling houses and finest buildings in our county, and their reliability and facilities for the undertaking and carrying to successful completion even the most intricate work in these lines is well known to those who have in the past had business dealings with them.

The establishment and workshop are comfortably housed and the display rooms are filled with the latest inventions of modern manufacturers of plumbing fixtures. They carry a stock at all times of everything needed in the line, and you can go there and pick out what you want and see it before buying. Those of our readers who desire work of the above character executed should avail themselves of their services and at all times we can assure them of reliable work, while the charges are always right. We compliment them upon the well merited progress and in the increasing patronage.

They are exclusive distributors for the Gregory Oil Burner in Oakland County. One of the features of their business is the installation of complete plumbing and water systems. They only install the most improved designs and can show you pieces of reference that gives the best satisfaction.

In this edition we also wish to compliment this firm upon the prominent position obtained in the business line of the county, and upon the modern and satisfactory work which is being executed known to those who have in the past had business dealings with them.

SUNBONNET and COMMON SENSE

Brands developed by
Depuy Elevator Co.

One of the oldest and best established firms in Pontiac and a firm that is known throughout Oakland county for its methods of fair dealing is the Depuy Elevator company, located at 23 Jackson street, Pontiac.

Fire destroyed the elevator and plant of this company a few years ago, but in a few short weeks another finer and better equipped plant had risen to care for the wants of the thousands of customers. The new plant is said to be the largest in elevator construction and is the largest elevator located in this section.

This enterprising company has developed a large business in the various foods required for proper raising and feeding of chickens. The brand is known as the Sunbonnet Brand, and there is a grade of feed for every known want of chickens in their various stages of maturity. They are always ready to advise you on what is best for poultry stock and this advice is given by men who have developed years of study for the raising of poultry.

This company is one of the largest buyers of grain in southern Michigan and any who have products to market will do well to get in touch with the Depuy Elevator company, as their prices are always as good or better than can be obtained elsewhere.

REAL ESTATE

Whose office is located at 504 Pontiac Commercial Bank Building, Phone 251, Pontiac, is headquarters in this section for anything in the real estate line and enjoys the patronage and confidence from all surrounding territory.

In this day and age when conservative men are constantly seeking investments where they are not only assured a permanent source of income, but a reasonable certainty of increasing in value, the real estate dealer is doing more than his share to meet the demands of such men. This locality is indeed fortunate in having in its midst such a firm as this well known agency.

They have for many years been closely identified with the growth and the expansion of this section and have made a close study of real estate conditions so that they could offer both the buying and the selling public the very best service. They have on their books a large list of most desirable properties for sale, both city and country, at prices and terms that cannot fail to be attractive to the intending purchaser, and have made many important deals in this section.

They have always made it a point not to list property for sale for more than its true value and this is where their close study of local conditions renders them an authority on values. In all transactions their word is as good as their bond, and people have come to look to them when seeking a desirable medium through which they may dispose of their property.

We take pleasure in this review in referring this well known firm to our readers and assure them that whenever they have property of any kind to offer they can locate the best buyer by listing their property with them. Such men as they aid materially in the growth and expansion of the entire community.

Pontiac Monument Works

Among the enterprises of Pontiac which have built for themselves a place in the community is the Pontiac Monument Works, 22 Wessen street, Pontiac. This company is engaged in manufacturing and placing Granite Monuments and Cemetery Memorials and maintains the leading position as producers of work of superior quality in which they fulfill their contracts.

Their plant is equipped with the sand machines and latest inventions of producing work in this line in the best and most economical manner, enabling them to finish and handle the product at the minimum of expense. Lettering and Carving are produced by the "Abrasive" method, which leaves the edges perfectly true without stuns or flaws from cutting and which produces lettering of an artistic pier; not heretofore attained. The equipment for this work is not found elsewhere in Michigan. Pneumatic tools are used to advantage, and special designs are cut in the home plant. While any of the standard varieties of granite are furnished as may be desired.

Their show rooms contain a large assortment of finished monuments from which selections may be made. As monuments are continually being sold from this stock, and new work set in the place thus made vacant the variety is ever changing. In their designing room special drawings are made for those who are unable to find what they desire in stock, and original ideas are given practical form.

This Harvest Edition would not be complete without mentioning the Pontiac Monument Works, where visitors are always welcome.

J. E. Wernet

Builds Large Plumbing Business

More and more has the general public come to realize the necessity of having their plumbing and heating needs taken care of by someone well versed along these lines. Some firm that has through years of experience shown that they are capable of handling any job put up to them. One company located in Pontiac who are establishing an enviable reputation in this field is the Plumbing and Heating firm headed by J. E. Wernet, with offices at 508 Perry street.

They are experts in the installation of plumbing, heating, and water systems, and have been called upon to do the work in some of the best homes in this section. Proper installation of heating systems is only gained through years of experience. This firm takes great pride in the fact they have established what is commonly termed a repeat clientele. In other words their work has given such satisfaction that they are constantly called upon to do work for people for whom they have worked in the past.

The motto of the company is Good work properly done and at a reasonable cost. And it is the insistence Mr. Wernet places on this motto that is constantly building up a larger patronage. The company is prepared to do any class of work, no matter how large or small the job. And the same attention is given to the small contract as to the large one. If you need anything in the plumbing or heating line you will make no mistake to get in touch with this company. Call Phone 2709-R and a representative will call and take care of your wants.

Rauhauser Realty Co.

Specializes in Small Farms

One of the newer realty firms in Oakland county is the Rauhauser Realty company located at 88½ North Saginaw St. in the Oliver Block. This company while new in realty circles has forged to the front rapidly during the past year. Mr. Rauhauser, head of the firm is well known throughout Oakland county through his connection with the Boy Scout Movement in Pontiac of which he was the head for a number of years. After leaving the Boy Scout movement Mr. Rauhauser entered the real estate business and about a year ago entered business for himself at his present location.

He has specialized in city and lake property and has built up a large clientele through his courteous method of doing business. Mr. Rauhauser is enthusiastic over the future of Pontiac and Oakland county and believes that the next five years will see a remarkable growth in this section.

Another one of the specialties of this office is small farms. They have the sale of a subdivision located about five miles east of Pontiac on the Auburn avenue district which is fast being built up with small homes owned by workers from Pontiac and Detroit's large factories.

Practically every farm on this heavily traveled road has been split up into small acre and half acre plots and most of it has been sold. The property has shown a wonderful advance in values and promises to show a wonderful investment for the owners.

If you are interested in securing a home site in this new section you will do well to get in touch with Mr. Rauhauser and see his property.
