Nature scenes are interpreted:

Cold, clear January nights provide a perfect opportunity to view winter star constellations.

During Stars and Snow, a nature interpretive program at Independence Oaks County Park on Jan. 6, stargazers of all ages should have a good chance to view Orion the Hunter, the Seven Sisters of Pleiades and other winter constellations.

A parks naturalist will guide participants through a 45 to 60-minute walk to share the beauty of the glittering starlight cast upon a silent, snow-blanketed forest.

In case of overcast skies, there will be an indoor slide presentation.

The program is scheduled for 7:30-9 p.m. Pre-registration is required. Participants should dress for the weather and meet at the Boat Rental Building.

Cost for the program is the park entry fee of 50 cents per car for Oakland County residents, \$4 for non-residents.

A sweet impression

Executive Chef Remy Berdy of the Sheraton Oaks Hotel adds a finishing touch to the 40-inch sugar trophy to be presented by Gov. James Blanchard to Louisiana Gov. David Treen in honor of the Sugar Bowl's 50th anniversary. Made from Michigan sugar, the trophy represents Michigan's agriculture. Companies from Livonia, Southfield, Saginaw, Detroit and Novi contributed to the creation of the sweet birthday gift.
