BARL KEIM REALTY

I WAS BORN AN AMERICAN; .

I live an American; I shall die an American; and I intend to perform the duties incumbent upon me in that character to the end of my career. I mean to do this with absolute disregard of personal consequences. What are the personal consequences? What is the individual man, with all the good or eyil that may betide him, in comparison with the good or evil which may befall a great country, and in the midst of great transactions which concern that country's fate? Let the consequences be what they will, I am careless. No man can suffer too much, and no man can fall too soon, if he suffer, or if he fall, in the defense of the liberties and constitution of his country.
