## **Experiment Brings** Japanese Doctor Here

FARMINGTON r ARMINGTON
One doesn't expect a medical man to be involve in organized protest, but it was
revolt by doctors in his homeland that brought Dr. Nobu
Hiro Tokita of Japan to Farmington.

The McCallums have not made any changes in their living pattern since the doctor came to stay. Because he speaks Japanese, German and English, communication has not been difficult and the four McCallum children have adjusted easily to their guest.

food has also not been a problem because as the doctor said, "Japan imports most American foods."

HE HAS BEEN TAKEN on a tour of Detroit and its sub-urbs and has been amazed at the land available to the Amer-ican homeowner.

"In Japan it is very crowd-ed." he sighed. "Yon have very broad lands."
When he completes his resi-dency at Ford, the docton will return to Japan to join the medical staff at his school, the University of Tokyo, [feeling better equipped because of his stay here.
