

"Tarzan's New York Adventure" (1942), noon Saturday on Ch. 50. Originally 71 minutes. TV time slot: 90 minutes.

The Weissmuller-O'Sullivan "Tarzan" films became boring when their premises relied too heavily on Boy's mischief for a storyline. That's the case in "Tarzan's New York Adventure," still, it's always a joy to see the Ape Man scaling tall buildings in the Big Apple's concrete jungle. Johnny Sheffield and Charles Bickford co-star.

Rating: \$2.50.

"Gentlemen Prefer Blondes" (1953), 10 a.m. Sunday on Ch. 4. Originally 91 minutes. TV time slot: 120 minutes.

Howard Hawks' "Gentlemen Prefer Blondes" may star Marilyn Monroe and Jane Russell, but it gives the viewer precious little to, ah, latch on to. Like a lot of great directors, Hawks — especially in his later years — is at his worst with comedy. So while there's plenty of luster and a lot to look at here, there's little substance behind any of it. Charles Coburn and Tommy Noonan co-star.

Rating: \$2.40.

"The Bridges at Toko-Ri" (1955), noon Sunday on Ch. 2. Originally 103 minutes. TV time slot: 120 minutes.

William Holden and Grace Kelly star in perhaps the most memorable film of the Korean War. Realism, camaraderie and melancholy infuse this story that wonderfully illustrates the regenerative and degenerative powers of war. Frederic March, Mickey Rooney and Robert Strauss co-star.

Rating: \$3.15.

ly tedious soap opera. Watch on Tuesday, skip it Wednesday. You know who stars.

Rating: \$3.

"Catch 22" (1970), 2:30 Wednesday night on Ch. 4. Originally 121 minutes. TV time slot: last program on Ch. 4 schedule.

If you don't understand the premise, you might as well not like the film. "Catch 22" leans heavily toward absurdity but, then, so does war. Alan Arkin, Richard Benjamin, Martin Balsam, Art Garfunkel, Jack Gifford, Buck Henry, Bob Newhart, Anthony Perkins, Paula Prentiss, Martin Sheen, Jon Voight and Orson Welles star in this marvelously dark comedy from the Joseph Heller novel.

Rating: \$3.10.
