

# Fair Weather Ahead For Summer Season

Eighty-one county, 4-H and agricultural fairs, and two state fairs highlight a summer fair season which opened July 2 and runs through Oct. 10 in Michigan.

"Everyone of Michigan's eight million citizens is within one or two hours' drive from a county or regional fair this summer," said E. Dale Ball, director of the Michigan Department of Agriculture. "Fairs offer consumers and

producers of Michigan's agricultural bounty a chance to meet and observe progress through agricultural, educational and commercial exhibitions."
