

the perfect union

It is the perfect union of science and art. It is the perfect union of the most brilliant and the most beautiful minds in the world.

The setting is a room in the heart of America's most famous diamond cutting center. The diamond is being cut by one of America's most famous diamond cutters. The diamond is being cut by one of America's most famous diamond cutters.

An Ideal Cut Diamond and the setting by Wachler & Sons, the perfect union of science and art.

Draw on color . . .

Continued from Page 1

A dress or jacket becomes a painting when it is spiced with color. An evening dress fashioned of layers of folded chiffon or crepe emulates the graceful lines of a marble statue. Structural elements found in a sculpture are the very same as those incorporated in a mesh or suede top.

Fashion, like art, can also be fun and relaxed. It can even be zany or fanciful with a touch of whimsy.

SEVERAL TOP designers tell us that they took pieces of art as inspiration for their spring and summer collections. Oscar de la Renta was influenced by paintings by Mondrian, and the result is seen in his daytime suiting, concentration on jackets, and evening clothes. There are flora and fauna shades right out of Matisse and Cezanne, and there is the South Seas influence of Gauguin, not to mention the wonderful khaki hues associated with
