

Maureen McCabe, deputy director of Baldwin Library, is a tiny woman who likes classics. Blue sweater by Liz Claiborne, \$38, white pants by Breckenridge, \$66, Jacobson's.

We enticed Joan Bawden, an interior decorator, to try something new this season. Her nubby cotton dress, \$225, is vanilla, and her frankly fun necklace, \$75, are from Roz and Sherm. She tops it with season's popular straw cartwheel hat.

Christina Lovio George, public relations specialist, and husband John, a university instructor, like safari dressing for their visit to the Western Sudanese display at the DIA. Her pants, \$52, sweater, \$64, and his jacket, \$75, and trousers, \$60, are all from Hudson's.
