NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS
City of Farmington Hills
31555 W. Eleven Mile Road
Farmington Hills, MI 48018
(313) 474-6115
TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:
On or about March 29, 1984 the above-named City of Farmington Hills, Oakland County, will request the U.S. Dept. of Housing and Urban Development to release Federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) for the following project:
Housing Rehabilitation Program To improve existing single-family housing in Farmington Hills, Oakland Co., Michigan 48018, 513
An Environmental Review Record respecting the within project has been made by the above-named Farmington Hills, Oakland County, which documents the environmental review of the project. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request.
The City of Farmington Hills will undertake the project described above with Block Grant funds from the U.S. Department of Housing and Urban Development (HUD), under Title I of the Housing and Community Development Act of 1974. Farmington Hills is certifying to HUD that Farmington Hills and Lawrence C. Savage, in his official capacity as City Manager, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environment reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, Farmington Hills may use the Block Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) that the certification was not in fact executed by the chief executive officer or other officer of applicant approved by HUD or (b) that applicant's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to HUD, P. V. McNamara Federal Bldg., 477 Michigan Ave., Detroit, MI 48226. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after April 13, 1984, will be considered by HUD.
