The Home Team Advantage

JOANNE LOW **JUDY DEARSON**

Q. Our home has been appraised for \$72,000. We think it is worth more and want to list for \$80,500. What do you think? M/M Dorton, Southfield.

A. Remember today's buyer is a comparison shopper who is familiar with current market prices. In a buyers market, the competition is great and the buyer has many homes from which to make a selection. If the property is overpriced a salesperson will not want to show it and the buyer will look elsewhere. Generally the home stays on the market a longer and ends up giving the impression there is something wrong. Also, even if a buyer is willing to pay, loan money may be impossible to obtain because lenders appraise by comparison too — including financing options. We suggest you list at the appraised value if you seriously want to sell.

THIS IS THE ONE YOU'VE BEEN WAITING FOR! Over 3000 sq. ft. colonial in desirable Farmington Hills location. Completely updated kitchen and a natural fireplace in the family room. The immaculate home is in move-in condition. Walk to schools, shopping and TMC. Call Joanne or Judy for more details.
