A lot of people with a lot of money want what you sell.

Do you realize that, right now, 47% of the population over 21 is single? That represents a major economic force in America today. You can cash in on the upwardly-mobile singles market by reserving a booth at Single Source Conference & Exposition. Because, if you don't, all those people could spend all that money... somewhere else.

SingleSource

The most exciting single idea of the 80's.

June 15-17 at the Westin Hotel in Detroit. Call (313) 642-6366 for booth reservations by June 1.

WE SUPPORT BETTER HOUSING.

We know how tough it is to jump on the home improvement bandwagon with traditional loans. Especially if you don't like applying over and over, then waiting for approval.

That's why we think you'll like The Home Improvement Loan Account from your First of America bank. Because you apply just once, then use it as often as you like up to your credit limit, just like a charge.

What's more, you don't have to stop with fixed improvements like remodeling and room additions. You can also enjoy on-the-

spot financing for items like appliances and furnishings. Better yet, you'll pay interest only on the balance you owe with no prepayment penalty, at an interest rate lower than both VISA and MasterCard. So you can save even more in finance charges when you pay above your monthly minimum.

So drop into your First of America bank or call us toll-free, 1-800-222-1983. We'll give you an application and list of participating stores.

The Home Improvement Loan Account. When we work together, we think it's a better way to pay for a better home.
