THERE ARE THREE major tests to prepare for — the LSAT, for law school, the GMAT for those asplring to a master's in business, and the GRE, the standard test for graduate school.

Each test is given four times a year, which averages out to a test a month to prepare students for.

Gold was the first metal known to prehistoric man. He was attracted to its beautiful bright color. He learned to hammer it into necklaces and amulets, which he could do without melting the metal. The beauty and durability of gold make it ideal for jewelry. We have gold jewelry of every kind awaiting your inspection.
