CLINICAL NURSE SPECIALIST

Oncology

Mount Carmel Mercy Hospital, a progressive acute care facility, is now interviewing for a Clinical Nurse Specialist-Oncology.

This is a challenging opportunity to become actively involved in the development of an interdisciplinary team approach to oncology care. Position requires a RN with a Master's degree in Nursing. A minimum of 2 years oncology experience is also required, preferably post Master's. Responsibilities include consulting, planning, and coordinating inpatient and outpatient activities, and providing clinical and educational support to nursing staff and other disciplines. This individual will work closely with the medical staff in obtaining medical histories and physicals, and monitoring patient treatment plans.

We offer commitment to a broadened concept of patient care and an environment conducive to professional growth and satisfaction; salary commensurate with experience; full benefit package; full time, flexible hours.

For applications and interview information, contact Rose Prince at 927-7033.
