Downtown Rochester

Asked for her preferences in fall dressing, Toby Haberman, co-owner of the House of Fabrics, Royal Oak, brought along associates Patty Yankee (left) and Donna Rozek (right) to model Vogue fashions each has created for the season ahead. Yankee's soft ice cream merino wool jersey multiple-piece dressing was designed by Carol Horn, Vogue pattern 1409, costs about \$60. Rozek's Danny

Noble designed grey wool flannel suit, Vogue pattern 1437, costs about \$90. Haberman's vibrant blue-violet, fine wool doubleknit dress was designed by Norma Kamali, Vogue pattern 9028, and costs about \$27. Haberman designed her own jewelry, another of her many talents.
