

There is no right to ban a play. The first amendment guarantees our free-

I am absolutely petrified of the Catholic church has anything to say about anything other than their own organization. In their own church, for them to practice discrimination and censorship,

Fantastic. Thank God somebody has got enough backbone to defend our religion against these insults. No other minority would take this abuse from the entertainment field. I say go for it.

Catholics should quit trying to install their religious and moral views upon others of other nationalities and religions. It isn't fair. If I choose to view a play or read a book or a certain newspaper, it should be open for anyone who wishes to do it. This happens to be a free country. This is a country not run by the Catholic religion.

Seniors compete

"I got my three gold medals," said Handelman jubilantly after winning the 50-yard dash. "I'm going to wear them for two weeks," she boasted.

Clark didn't get a gold, but earned a silver medal for the 100-yard dash, where she ran against Handelman.

BREAKING OUT?

Breaking out with pimples, blackheads, whiteheads, zits, or cysts, is all part of acne. Excellent treatments are available. Dermatologists treat acne with prescription antibiotic lotions and prescription drying lotions. For more severe cases, we may need to prescribe antibiotic pills.

Most treatment is completely paid for by your medical insurance. (We take care of the forms and billing for you.)
