SPORTS HISTORY: HONOR ANSWER
(Richie, last brother of David Nelson, is easy, but how about Veronica, sister of Angus Cameron, or Danny, younger brother of Dwayne Hickman?)

Taste Extra!

New True Laser-Cut "Flavor Chamber" Filter Shatters (Low Tar = Low Taste) Theory!

Only True Has It. The New Laser-Cut "Flavor Chamber" Filter. A remarkable filtration discovery that delivers a flavor-rich tobacco experience at only 5 mg. tar.

Test True Against Your Higher Tar Brand. One taste and you'll discover low tar doesn't mean low taste anymore. In fact, New True's fuller, richer flavor delivers a taste satisfaction we believe challenges

cigarettes containing twice as much tar. Yet True is still only 5 mg. tar!

Longer Lasting Smoking Enjoyment. What smoker wouldn't like a cigarette that lasted longer? That's another New True bonus. True's quality tobacco blend is packed with extra tobacco so you can enjoy each cigarette longer. Noticeably longer.

New Breakthrough True. Why not test it against the only taste that counts? Yours!

Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.

It tastes too good to be True.

Regular: 4 mg. "tar", 0.5 mg. nicotine; Menthol: 5 mg. "tar", 0.5 mg. nicotine, av. per cigarette by FTC Method.
