Santa Says: Don't have your home destroyed because of a Chimney Fire!

KEEP YOUR HOME & FAMILY SAFE!

Accent Enterprises Inc.
SANTA'S CHIMNEY SWEEPS

When dealing with something as important as the safety of your home and family why take chances?
There are hundreds of "chimney sweeps" in the area that for one reason or another offer inadequate cleaning services.
We have been called many times to clean up the mess of an unqualified chimney sweep.
Why not have it done right the first time?
Simply cleaning the flue will not prevent chimney fires. The smoke chamber, smoke shelf, damper and firebox must also be cleaned. An improperly cleaned chimney is more dangerous than an uncleaned chimney!
We will clean your fireplace's flue, smoke chamber, smoke shelf, damper and firebox completely with special brushes and a special 4 1/2 foot tall vacuum to control all the soot and dust.
