## Displaced homemakers offered job counseling

Displaced homemakers may take part in a program offering employability skills, vocational counseling and job placement services.

The program is offered through a grant from the Michigan Department of Labor, Office of Women and Work, Jewish Vocational Service and Community Workshop. It is intended for women in Wayne and Oakland counties.

Displaced homemakers are former homemakers, who, through divorce, separation, widowhood, disability of spouse, or other crises, have lost their

source of economic support.

After spending a substantial number of years in the home caring for family members, displaced homemakers find returning to the job market a difficult transition.

Eligibility for the program is based on marital and employment status and age of children. There are no income guidelines.

Interested applicants are encouraged to call Rita Moore or Sherri Lumborg at Jewish Vocational Service and Community Workshop at 967-0500.
