

No fatalities

The three teen-age occupants of what's left of this 1967 Pontiac GTO escaped death after the vehicle left the road and hit a light pole near the corner of Shiloh and Middlebelt in Farmington Hills early last Sunday morning.

Burger King remodels site

The Farmington Burger King has undergone recent renovations which include the addition of a garden room and drive-through service.

Chuck Williams and Bill Schonbeck, partners in the downtown Farmington restaurant, celebrated the grand opening with 150 guests and a ribbon cutting by Mary Chris Porter, Miss Farmington, William Hartsock, Farmington mayor pro tem, and Chuck Shulkins, Farmington's Mr. Goodfellow.

Shulkins, on behalf of the Goodfellow, received gift certificates to provide a meal for 200 needy persons this holiday season.

Agency expands

Simons Advertising & Associates has expanded its retail service capabilities to include a public relations, retail marketing and sales promotion division.

The division will be directed by Diana Zupke, vice president of creative services and retail marketing.

It formerly operated as an independent agency in Birmingham and has performed retail related services for a variety of retail clients in numerous categories.
