1985 AUTO SHOW

(O)13

The 1985 Buicks. Another Stellar Performance!

With special guest star:

The all-new 1985 Buick Somerset. And what a debut! This is a car steeped in Buick tradition — yet with some very untraditional Buick features. An exciting new car that strikes a delightful balance between luxury and performance.

Featuring:

An all-star cast for 1985. Including all the other new Buicks: Electra, Riviera, LeSabre, Regal, Century, Skylark and Skyhawk.

Road-handling performance by:

The T Types. Exciting cars with special handling

packages that let you turn serious driving into pure pleasure.

Now showing at the Auto Show:

You'll see technical innovations like turbocharged engines with multi-port fuel injection, distributorless electronic ignition and much, much more.

Look for the 1985 Buicks — in another stellar performance — at the Auto Show this year. Don't miss it!

Wouldn't you really rather have a Buick?
