Briggs carries load

Continued from Page 1

"Briggs has got some powerful legs," said veteran Texas A&M coach Shelby Metcalfe. "He's a great athlete. He really played well against us the last time out (21 points)."

Second in the league in scoring (21 ppg), Briggs' immediate goal is to keep Baylor out of the SWC's basement in order to make the post-season tournament.

A good late-season showing by the Bears may enable Briggs to receive the recognition he deserves.

If there were any doubts about him fitting into a major college program, they were erased the night Briggs took care of SMU.
