### Legal classes are offered

To acquaint legal assistant students with a valuable research tool, a two-weekend workshop is scheduled in March at Madonna College, Livonia.

"LEXIS and Electronic Legal Research," an upper division course, will meet on Fridays 8-10 p.m. and Saturdays from 8 a.m. to 5 p.m., March 22, 23 and 29, 30.

Those taking this workshop will be provided hands-on experience by visiting the Lexis Division of Mead Data in the Renaissance Center.

Lexis provides a central bank of legal information which is not confined just to case law research. It can search statutes, regulations, legislative history and a variety of administrative materials in just minutes.

**ADDITIONAL COURSES** will be offered this spring at Madonna for those pursuing a career as a legal assistant.

For beginning legal assistants, two courses are scheduled. Legal Assistant Orientation will meet on Thursdays, beginning May 9.

Registration for the spring term for new and returning students will be held from March 4 through March 22 and April 1 through April 30.

### GRIEF AND GUILT

It is normal and healthy for people to grieve after the loss of a loved one. It has been said, in fact, that grief and love are two sides of the same coin. The more one cares about another, the more deeply the loss will be felt.

Feelings of guilt, though they are not at all uncommon. The closer the human relationship, the more chance there is for guilt to be at least part of the response. A child may have resented the authority of a parent, even wished the parent dead. A parent may be haunted by thoughts of having failed to protect the child from illness or accident. A sibling may feel guilty simply for being alive.

There is no easy answer. Many people who are troubled by overwhelming feelings of guilt find it useful to work those out with a clergyman or counselor.
