# KEEP YOUR OPTIONS OPEN WITH AN IRA FROM MANUFACTURERS BANK.

For the greatest financial security at your retirement, it pays to consider all the IRA options open to you now at Manufacturers Bank.

Our featured time deposit IRAs offer interest compounded monthly; the faster you contribute, the faster your IRA will grow.

You can also consider a mutual fund IRA that earns the current money market rates.

Your third option is our self-directed IRA, that lets you plan your investments in stocks and bonds.

With every IRA you can contribute up to two thousand dollars a year. Of course, all

contributions are tax deductible and all interest is tax deferred. So before you close the door on retirement planning, see the professionals at any Manufacturers Bank office and keep your options open.

To find out how much you can earn today  
with a Manufacturers Bank IRA, call our
