

Wedding in the city

Soft ruffles and lace with splashes of color are just as appropriate for urban weddings as they are for ceremonies in quiet country gardens. Here the bridesmaid and flower girl wear matching dresses, giving the wedding party a unified look. Their floor length gowns are by Michele Piccione for Dance-Allure. The adult version retails for \$115, the little girl's dress for \$85. Chantilly-style lace covers the skirts, and a bustle adds interest in the back for a charming, nostalgic style. Not to be overlooked, the best man wears a pearl grey single-breasted tuxedo by Bill Blass for After Six Formals. The combination dacron polyester-wool suit is available from rental specialists.
