RCA SelectaVision 950
Convertible Stereo VCR
with VHS Hi-Fi

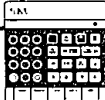

- VHS Hi-Fi delivers amazingly lifelike stereo reproduction approaching the quality of advanced digital audio systems.
- Converts instantly from table model VCR to portable video system. Cordless recorder/tuner hook-up eliminates cable clutter.
- Remote programming of as many as eight events, up to one year in advance. On-screen displays help simplify programming.
- Sophisticated five-head video system helps deliver letter-box, Stop Action, Frame Advance, Slow Motion, Double Speed, Reverse Play and Picture Search in SP and SLP modes.
- Integrated remote control lets you activate special effects, time programming and most other VCR functions - from across the room.
- 133-channel frequency-synthesis tuning features pinpoint accuracy on broadcast or cable channels.
