The United States Golf Association first conducted a U.S. Open championship in 1895. The first three tournaments were 36-hole affairs, and, in 1898, the format was switched to the present 72-hole format. There have been U.S. Opens held annually, except for the war years of 1917 and 1918 and 1942-45. Following is a list of the previous U.S. Open winners, and their scores.
