VHS HI-FI STEREO VCR

RCA SelectaVision Stereo VCR with VHS Hi-Fi

- VHS Hi-Fi delivers amazingly lifelike stereo reproduction approaching the quality of advanced digital audio systems.
- Improved remote control lets you activate all special effects, timer programming steps and most other VCR functions — all from across the room.
- Sophisticated record/playback system with three video heads helps deliver jitter-free Stop Action, Frame Advance, Slow Motion, Double Speed, Reverse Play, and Picture Search.
- Electronic timer programming of up to eight TV shows — as far in advance as one year — by remote control.
- On-screen displays aid the user during remote programming steps and normal VCR operation.
- 40-position varicape synthesis tuner can be programmed to receive all VHS Hi-Fi channels or up to 43 cable channels.
- On-screen tape remaining indicator.
- Electronic program indexing simplifies finding recorded programs.
