Mardiros Bucks UAW, **Switches To McDonald**

MRS. PAT WHITTON and her husband. George listen to criticism of her election as 19th District state convention caucus secretary. (Observer photo) Arriving late. Mardiros bolled when he learned the sit-uation. He leaned in front of two labor delegates and said he would support McDonald for Congress unless Mrs. Whitton's election were overturned. HARRIS WON the Demo

HARRIS WON the Demo-cratic primary nomination with strong labor backing, de-feating NDC liberal Ron Hecker of Livonia, H. Patrick O'Neill of Livonia and industri-alist Franklin Adell of Novi. Harris is president of an electrical workers local union. JERRY FREEDMAN, a Farmington liberal. asked for reconsideration. The Freed-man appeal was resoundingly defeated.

"As the nominee," said Mardiros, "He's the leader, and to allow this to happen shows he lacks leadership abil-ity, doesn't understand gov-eramental problems and is nothing but a puppet."

Clinic Set npaigners Get

Harris blamed Mardiros' tardiness for precipitating the breach: "Were we going to hold up the movement of the 19th on account of Ron Mar-diros" Vaccination

The Oakland County Health Dept, inconjunction with local area physicians is sponsoring an immunization clinic in the Clarenceville-Farmington area on Wedersdax, Sept 9, from 10 a.m. until 12 noon. It will be held at the First Methodist Church, Farmington, on Graad River between Orchard Lake Rd. and Farmington Rd. Additional clinic hours will be amounced at a later date. The clinic is available to all children of pre-school and school age. Immunizations required for entrance into the Nichtigan schoolsfand those recompacted with the pre-school children ate furnished without charge

About Mardiros backing McDonald, Vagnozzi said, "This is strictly an internal party matter.

I HAVE NEVER felt you should decide who should rep-resent your district in Con-gress on the basis of party disputes. It's of little consequ-

disputes. It's af little consequ-ence to the public good. "It would think the aced to do something about usemploy-tion and other social programs are areas in which we aced comesone besides the present conference and the much more important that the question of tho attends a rather boring meeting at the end of a long day at convention." said Vag-nozi.
