## California Comfort Systems

Solariums, Hot Tubs, Spas, Saunas, At Home Leisure Products

Since opening in 1978, we've become the midwest's largest installer of hot tubs, solariums, spas, saunas, and state-of-the-art at-home leisure products. And there is a reason for this tremendous growth: the high quality of our designs and installations, backed by our reliable service and personalized advice. We are now planning our Fall 1985 installations. Schedule your solarium this fall to take advantage of the 40% Federal Tax Credit which expires Dec. 31, 1985.

Stop by one of our showroom locations and see our custom inground tile spas and energy efficient portables.
