It's nice to move into a neighborhood that has as much style & tradition as we do.

We're Brittany Limited, one of Chicago's leading suppliers of men's and women's ready-to-wear. And in March we're moving into the old Robert Vance quarters in Somerset Mall.

We're making the same commitment to Troy and the greater Detroit area that we've made to Chicago for the past twenty-five years. To provide quality clothing of pure and natural fabrics, supplied by the finest manufacturers and craftsmen in the industry. We consider clothing to be a personal investment and we use our fashion expertise, coupled with our knowledge of you, your needs and lifestyle, to make sure that investment is a sound one.

We will continue to introduce the new (such as we introduced Ralph Lauren's "Polo" line to Chicago) and to revive and revitalize the classics.

Won't you please come by and see us? We can't wait to introduce you to the quality, tradition and personal service that is Brittany Limited.

Brittany Ltd.®

The more things change, the more our tradition of quality and style endures.
