Systems Professionals Meet Us at Our Systems Headquarters in Livonia
Friday • May 9th • 11am - 8pm
Saturday • May 10th • 10am - 3pm
and Explore New Career Opportunities

MNC Development Center • 34000 Plymouth Road • just west of Farmington
Challenge... recognition... advancement... all happening now at Manufacturers Bank. We'd like you to become a part of it. We're expanding our facilities again and opportunities exist for experienced applications and systems support professionals to participate in our creative and dynamic environment. You'll work as a part of our systems team where each member is rewarded for individual accomplishments. Watch your eyes take shape. We invite you to attend our Career Conference, talk with our systems professionals and find out more. It will be time well spent.
APPLICATIONS
Opportunities are immediately available for individuals who possess two or more years of programming experience in a large scale IBM, MVS/ESA systems environment.
Programmer and Programmer Analyst
Experience must be in programming development utilizing COBOL and/or PL/I, with a working knowledge of JCL. Preference will be given to those with skills in TSO/SPF and IMS.
There are some additional opportunities available in the following areas:
SYSTEMS SUPPORT
All positions in our large IBM systems environment require two to five years of large scale IBM systems programming experience.
