

Toy selection tips

Continued from Page 64

low the child to improve his or her manual dexterity.

Select toys that have variety. Children are constantly changing and, as their worlds expand, their toys need to hold enough variety in terms of color, shape and size to remain attractive and challenging, Gibson said.

Consider the individual attributes of the child. Evaluate the child's physical strength and dexterity, ability to actually understand a toy or game and the child's emotional capabilities.

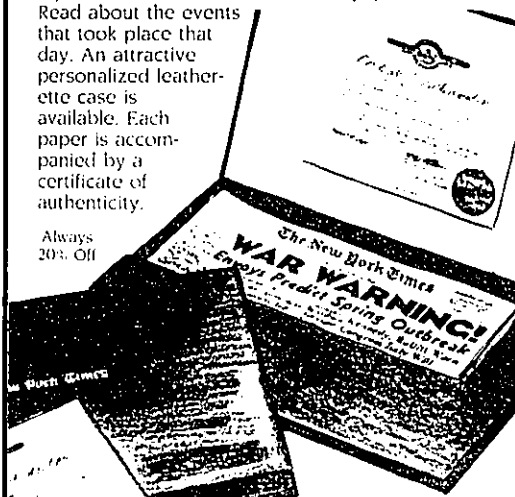

Even within the same age group, no two children are alike, so read the description on the back of the box before you buy anything to make sure the toy is appropriate for the child.

the Birthdate Newspaper

makes a truly unique gift! Not just a front page or reproduction — it's the actual-newspaper!

Read about the events that took place that day. An attractive personalized leatherette case is available. Each paper is accompanied by a certificate of authenticity.
