

# Tumey shines in county meet

Andover's swim machine just keeps on rolling.

The Barons, who haven't lost a dual meet in two years, defended its county championship Saturday at Oakland University. Andover won just two events but still defeated second-place Lahser by 117 points.

Andover dominated the meet with 279 points while the Knights registered 187. Birmingham Seaholm placed third with 161½ points, followed by Novi (68), Ferndale (44), North Farmington (35) and Berkley (7).

"We swam a solid meet and it was good for us as far as county meets go," said Andover coach Mike Lane, whose team has victimized perennial prep powers Ann Arbor Pioneer and Toledo St. Francis among its eight dual-meet triumphs this winter.

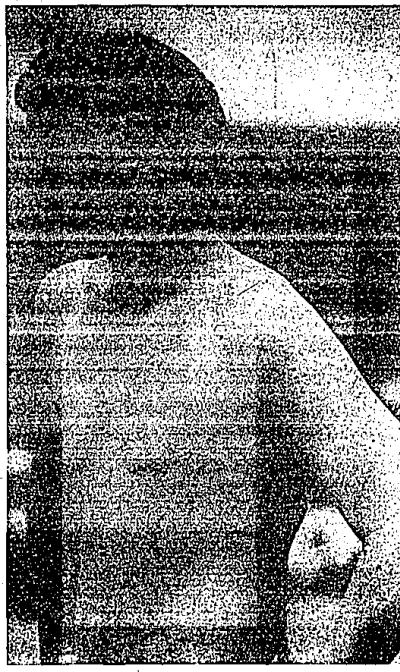

"We only won two events, so generally speaking I was pleased. When you win by 100 points it's your depth which really does it for you. We had two swimmers drop six or seven seconds in the 500 (freestyle) and Jason (Schilciano) did a nice job to win the diving."

Charlie Chung went 1:02.7 in the breaststroke, and that was a nice drop for him," he said. "Our goal is to get kids qualified (for the state meet), and we still need three more events qualified — a third breaststroke, a third sprinter and the individual medley."

Lahser's Mark Landry, North Farmington's Mike Tumey and Novi's Jon Cohen were double winners.

Landry, a defending state champion in the 50-yard freestyle, broke his own county record in the 50-yard freestyle with a time of 21.85. He set the old mark of 21.88 at last year's meet.

Landry won the 100-free in 47.97. The Lahser senior also was a member of the winning 200-yard medley

relay along with Derek Walter, Rob McElwain and Anthony Marchese. Its winning time was 1:49.4.

McElwain, who is undefeated in the breaststroke, won that event in 1:02.00. His best breaststroke time this year is 1:00.4 — currently the state's second fastest time.

"We won four events, and we figured that was the most we could have won," said Lahser coach Mike Rado. "We got everybody qualified, and we picked up 10 points from what we were seeded. We swam well."

Landry, one of the state's premier butterfly swimmers, tied the mark of 52.64 in winning the 100-yard butterfly. The record he tied was that of former Raider swimmer Brian Golins from 1985. Tumey also won the 200-free in a time of 1:44.07.

COHEN WON the 500-free (4:35.11) and the 200-IM (1:57.18). Dave Nack paced Ferndale's strong showing by winning the 100-yard backstroke in 56.51.

Andover's wins were by Schilciano in diving and the 100-yard freestyle (1:45.42) and by Lehmkuhl in the 500-free (5:00.02). Amy Geiger (Andover), Chip Doliver (Lahser), 1:04.65.
