

“They didn’t have IRAs when I started teaching. That’s why I want a rate that builds my retirement savings as fast as possible.”

Introducing a Flexible IRA that won't lock you in to today's interest rates.

With a five-year Flexible IRA from a Security Bancorp Bank,* your interest rate can climb as high as 12 percent. But, it can never go below six percent. Your Flexible IRA will earn the highest rate we offer on our long-term certificate of deposit. As interest rates change, we will automatically adjust your rate plus compound it quarterly. That gives you the security of a long-term CD with all the advantages of

a short-term CD.

Stop in to any Security Bancorp Bank and open a five-year, Flexible IRA. Or ask about our other IRA certificate options. We'll make your money work as hard as you do ... for the day you won't have to work at all.

Call 1-800-443-5465 for current rates or to open an IRA by mail, Monday through Friday, 9:00 a.m. to 6:00 p.m.

Interest rate may be adjusted weekly up to a maximum of 12%, and is based on our 61-120 month fixed rate IRA certificate. \$500 minimum opening deposit. Federal law requires substantial penalties for withdrawing funds before maturity.
