Bradner Backs Vote At Age 18

Schoolcraft College President Bradner has announced his support for lowering the voting age to 18.

"As a teacher and as an administrator, I've been particularly close to the 18-20 age group during my 37-year career in higher education," Dr. Bradner said.

"I have always believed them to be every bit as interested and as intellectually capable to vote as any other given group of adults."

According to the Schoolcraft president, "the question of the 18-year old vote is one of significance to our country and to people everywhere who embrace democratic principles. That we have so long denied the vote to this group underscores many of the ills our youth today charge against the so-called establishment."

The question will appear in the November ballot as "Proposition 1." In lending his name to the cause of voting rights for citizens 18 to 20, Dr. Bradner observed, "Indeed, theirs is a voice which should be heard."

Rules Told On Mailing Overseas

Deadline for mailing Christmas packages to servicemen stationed overseas is quickly approaching, announced Sam Gilmore, director of Service to Military Families for the Southeastern Michigan Chapter, American Red Cross.

Gilmore said the type of gift to send depends on individual preferences, needs and the serviceman's location. Home-made items including baked goods and sweaters are high on servicemen's gift preference lists, he added.

Preferred gift items include paperback books, current issues of sports and automobile magazines, wash cloths, soap bars (on rope), ballpoint pens, stationery, pocket calendars, plastic picture and identification holders, playing cards, razors and razor blades and can openers.

When packing gifts unbuttoned popcorn, chewing gum and wrapped pieces of hard candy help fill the corners.

REGARDING food items. Red Cross workers suggest that perishable items, such as chocolate, be avoided. They recommend that candy and cookies be individually wrapped and that food be packed in sealed tin containers.

Suggested mailing deadlines for surface and air travel are: PAL (Parcel Airtel), Pal mailing costs the regular parcel post rates to the APO or FPO departure point plus \$1 for air service from your city to the overseas base. Packages are accepted up to 50 pounds in weight and 60 inches in combined length and girth. The mailing deadline is Nov. 27.
