Before doing any more shopping in the home market ask yourself a few honest questions. Would you shop the stock market without first consulting a broker? Or would you buy a car without first test driving it? Well, so is real estate. What are you waiting for? What's the difference between VA, FHA, Condo, etc. interest rates? Schools? Yes, how may I best use my hard earned dollar? Before we look at any home, allow me to help answer your questions. Call or visit me in my new Livonia office. Do as others have done. Consider me your personal friend in real estate. It's your future!
