

Laughter highlights TV awards night

The best of show for all 1986 community access programming was selected to be "Serendipity."

Husband and wife team Tom and Donna Miller produce this wonderful children's series with the support of a very talented crew and cherished children of our neighborhoods. Congratulations.

The Channel 12 annual awards entertainment evening was emceed by none other than Hobson, a maelstrom comedian. He managed to keep the audience of 500 rolling through myriad television personalities, awards and technical difficulties in a manner only seen by the absolute professional. We salute him. We were also honored to have entertain and participate with us: Harrison High School Chorus, Minute by Minute Band, Mirage with aka Joan Rivers, aka Carol Channing and aka Tina Turner (female star impersonators).

Also on the program were Stu Klitenic, Charlie Sanders, Diane Hoffmann, Aggie Ussedy, David Moffitt and Jack McDonald. All contributed hours of their time to line up beside our local stars of Channel 12 and enhance the aura of Hollywood.

All were entertaining but Harrison High's choir director, Julie Anderson's son, Taylor, stole the show. Little Taylor was spontaneously brought on stage by Hobson. One would have thought that Hobson and Taylor were a professional Las Vegas act. Our audience was in tears with laughter. Thank you, Taylor. Watch our Channel 12 schedule for our evening of entertainment.

Children and laughter keep us young and inspired. May 21, the City Hall of Farmington was blessed with more of the same. Mayor William Hartsock and City Manager Robert Deadman hosted Beverly Rivasca's second grade class from Flanders School in Farmington. Our office, Judy Kral and I had the privilege to demonstrate cable television production to the children.

This session resulted in such delightful footage that we have turned it into a television promo. We encourage parents to tune into Channel 12 to watch this learning time for the children.
