**Volunteer Art Guides Needed**

"And gladly would he learn and gladly would he teach." Do those words apply to you? Have you always wanted to learn and wanted to know more about art?

A well-known local cultural center is offering an exciting opportunity to learn more about art and to share this knowledge with young people.

The Oakland County Volunteer Bureau is looking for volunteers to act as cultural enrichment tour guides who can bring alive for those visiting the center a remarkable art center. An excellent course in art and how to present it to young audiences is offered free of charge to all cultural enrichment tour guides.

The course will include some art history, a discussion of the various forms of art, and tours of workshops in painting, ceramics, weaving, and metal-smithing. Trained cultural enrichment tour guides may choose the time when they can conduct weekday tours.

For more information, call the Oakland County Volunteer Bureau, Division of United Community Services of Metropolitan Detroit, at 542-7272.
