University Of Michigan Medical Center Announces Another Medical Breakthrough In Plastic.

Introducing the M-CARE card. Your link to health care for the entire family.

In 1984, the University of Michigan Medical Center introduced the sphenocentric knee, the first plastic device to allow a full range of motion. It's just one medical breakthrough to add to the long list of our accomplishments over the past 137 years.

And now there's M-CARE. The HMO that links the knowledge and resources of the UMMC to the personal care of your family doctor. M-CARE provides a full range of health care services to you and your family. There are no claim

forms to fill out, no deductibles to worry over, just one of the finest health care plans available.

M-CARE
