

RANDY BORST/staff photographer

Dangers of smoking

Dunkel Middle School life skills teacher Brian Sprague demonstrates a "mechanical smoker" that measures how much tar is in a cigarette, as part of Thursday's Great American Smokeout. Watching, from left, are: Marcus Leon, 10,

Mike Sokoli, 11, Michael Sands, 11, Tim Blonden, 11, Lisa Burrows, 11, Heather Stoneman, 11, and Becky Thuram, 11. Also pictured is an inflatable cigarette, which lists the poison chemicals and gases emitted from a lit cigarette.
