Mr. Goodwrench

On the Autobahn, the sports sedan Germans prefer isn't a BMW 325 or a Mercedes-Benz 190.

Come see the new Audi 80s.

To understand why the 1988 Audi 80 and 80 Quattro are sold out in Germany, and are out-selling their two German competitors, come in for a test drive. These innovative and exciting new sports sedans, with generous standard features, will pleasantly surprise you. So will their prices, which start at \$19,095*.
